Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On June 10, 2021, a traffic stop was conducted, and the driver (deceased) was contacted. During the NCIC check of the deceased, it was discovered that he had felony warrants out of another state. Once the deceased was informed of the outstanding warrants and that he would be placed under arrest, he pretended to have a medical episode. While the officer was attempting to summons help the deceased struck the officer and attempted to get back in his car and flee. The officer attempted to stop the deceased and eventually ended up inside the suspect vehicle with the deceased. During the struggle to subdue the deceased he attempted to put the vehicle in gear with the officer still inside the car engaged with the deceased. The deceased was given several orders to stop and not attempt to move the vehicle with the officer in the car. At one point the officer drew his weapon and told the deceased that if he tried to move the vehicle he would be shot. The deceased disregarded all the officer's warnings and eventually placed the car in drive and attempted to drive away with the officer inside the driver's portion of the vehicle. The officer shot the deceased and as he was attempting to exit the vehicle was temporarily hung up. The officer shot six (6) rounds both inside and outside the vehicle. The officer broke free from the vehicle and the deceased

attempted to drive away. The deceased made it approximately 300 yards from the scene before he wrecked into a fence and succumbed to the injuries from the gunshots.
