Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On Friday, May 5th, 2023, McKinney 911 dispatch received a report of two men physically fighting at 205 W. University Dr. The caller advised someone was standing outside his room screaming, armed with a machete. Officers arrived and observed two subjects walking along the top floor. Officers gave orders to drop the machete to which Matthew WEEKS immediately complied. The other involved party, Bobby QUINONES then picked up the machete and continued to follow WEEKS down the staircase towards officers in an aggressive manner. Officers gave QUINONES multiple commands to drop the machete, but he continued to refuse and

aggressively advance towards officers. Officers deployed a less-than-lethal impact weapon, however, it was not effective in stopping QUINONES. QUINONES continued to advance towards offices, swinging the machete and making verbal threats as he approached the officers. Officers discharged their department-issued pistols and rifle, striking QUINONES. QUINONES was transported to Medical Center of McKinney Hospital, where he succumbed to his injuries. An autopsy was performed on QUINONES by the Collin County Medical Examiners' office. The case was presented to the Collin County Grand Jury by Texas Ranger Thomas Fitzpatrick and the Grand Jury no billed the officers for the shooting. This has been ruled a justifiable homicide
