Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint:	Yes, mark which restraint devices were used

Type of restraint

Type of Restraint:	Handcuffs

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Deputies were dispatched to the 8100 block of Renmark Lane, in Northwest Harris County, at 02:45 in reference to a burglary of a habitation. As deputy arrived, he observed the deceased on foot and was able to

stop and speak with him. Before the deputy could detain the deceased, he fled on foot. The deputy gave chase for approximately 3 blocks, deployed his taser-making partial contact, and eventually was able to place the deceased in handcuffs, after a fence he was attempting to jump over collapsed.

EMS was immediately called to the scene due to the Taser being deployed. While waiting for EMS the deceased advised he was very hot, so deputies removed a black hoodie jacket from his person. EMS arrived shortly thereafter, and the handcuffs were removed in order to allow them to better check his vitals.

While EMS was on scene the deceased went into cardiac arrest and was transported to the hospital, where he eventually passed away.
