Attempt gain possession officer's weapon:	No		

Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint:	No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On July 31, 2024, around 9:30 PM, Killeen Police Department officers were dispatched to the 9500 block of Glynhill Court, Killeen, TX, about a Subject Armed with a Weapon- In Progress. A Caller called 9-1-1 to report a male in the yard pointing a gun at the Caller's husband. The Caller stated that the armed subject claimed that someone was chasing him. The Caller updated the call and advised that the armed subject did not point the firearm at anyone but had it in his hand. Killeen Police Department officers arrived on the scene and located the subject standing in the roadway holding a handgun. Officers gave the armed subject commands to drop the firearm, but he did not comply. The armed subject had raised the handgun and pulled the trigger, but the weapon did not discharge. The armed subject then manipulated the firearm to cycle another round into the chamber. The subject then raised the firearm to his head and discharged the firearm. At the same time, a Killeen Police Department officer discharged his firearm. The subject fell straight to the ground and had an apparent gunshot wound to his head. The gunshot wound appeared to be self-inflicted at close range. No other injuries were located. Killeen EMS arrived on the scene and determined that the subject had Injuries Incompatible with Life. Killeen EMS did not perform any life-saving measures. The subject was taken to the Southwestern Institute of Forensics Science in Dallas, TX, for an autopsy.

The autopsy report showed:

The cause of death is a Contact gunshot wound of the head, and the Manner of Death is a Suicide.
