Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On Sunday, February 22, 2026, Houston Police Officers were dispatched to a shooting in progress call for service at 11050 Southwest Freeway. The call slip reported that the decedent was armed with a rifle and had been discharging it on the third floor of the hotel.

When officers arrived, a male matching the decedent's description was seen carrying a rifle at his side. Officers issued multiple verbal commands instructing the decedent to drop the rifle. The decedent instead raised the rifle, pointed it at the officers, and fired. In response, three Houston Police Officers discharged their weapons, striking the decedent. Officers immediately began rendering aid until medical personnel arrived. No officers were injured.

The Houston Fire Department (HFD), engine Number 73, arrived on scene, and medical personnel from HFD pronounced the decedent at 2124 hours. The Harris County Institute of Forensic Science was notified of this incident and sent investigator Kaitlyn Haddock to conduct the initial scene investigation. The Harris County Institute of Forensic Sciences conducted an autopsy of the decedent and ruled this death as a homicide due to multiple gunshot wounds documented under ML26-0668. The autopsy report is still pending completion.
